# Shingle Quality Specialist™

This is to certify that

# Wayne Hollier

has earned the title of **CertainTeed Shingle Quality Specialist™**  
having successfully passed the **CertainTeed Shingle Technology Manual test.**

The Shingle Technology Manual test is a challenging series of questions on current manufacturing technology and related subjects, discussing complex shingle technology and quality. This program provides a comprehensive overview of asphalt shingles, from product components and design features, to price considerations and warranty provisions.

This is to certify that

# Hollier's Specialty Roofing Inc

is hereby recognized as a ShingleMaster™ and therefore can offer the CertainTeed SureStart™ PLUS 3-STAR and 4-STAR Coverage warranty extensions.

**This company has achieved ShingleMaster™ status by employing a Shingle Quality Specialist™ and a Master Shingle Applicator™ qualified workforce or by attending a ShingleMaster™ Credential Course, and having at least one person qualified as a Master Shingle Applicator™.**

The Master Shingle Applicator™ qualification is based on the CertainTeed Shingle Applicator's Manual test, which includes the complex requirements and recommendations for the installation of a high-quality shingle roof system. The ShingleMaster Credential Course covers CertainTeed roofing products, application standards, shingle technology and quality.

A ShingleMaster™ since:
